

Faculty Members Start New Duties

Fourteen New Instructors Will Teach at Horace Mann and College.

Music Chairman Resigns

Mr. N. Saylor and Mr. S. Surrey Take Leaves of Absence for Following Year.

As the bell rang announcing the beginning of the fall quarter several new faculty members began their work on the campus.

Dale J. Blackwell is teaching commerce during the absence of Sterling Surrey, who is attending the University of Pennsylvania on a year's leave of absence. Mr. Blackwell has his B. S. degree from Southwest Missouri State College at Springfield and his M. S. from Columbia University, New York City, N. Y. He has had teaching experience in the King City high school.

Thomas C. Pierson is the violin instructor at the College. He has a bachelor of music in education from the University of Nebraska, Lincoln, and has his master of music degree from Northwestern University. He has taught at Lincoln high school and Northland College, Ashland, Wisconsin, and has served with the Army Air Force.

Miss Miller Is From St. Joseph

Also in the music department is Miss Ruth M. Miller of St. Joseph who will be the public school teacher. Miss Miller has been music supervisor at the State Teachers College, Valley City, N. D., and at the demonstration school, Central State College, Edmond, Oklahoma, the last two years. She has a bachelor of music from the University of Kansas, Lawrence, and her master of music degree from Northwestern University at Evanston, Illinois.

Miss Dorthie C. Hall of Stearns, Kentucky, is teaching English at both the College and Horace Mann school. Miss Hall has her B. A. and M. A. from Western Kentucky State Teachers College, Bowling Green, and has taught the last five years at Federalburg, Maryland. She is replacing Miss Alta Carpenter, who resigned recently.

James Rybak, of Columbus, Ohio, is teaching English and speech at the Horace Mann laboratory school. Mr. Rybak received his B. S. in education from Kent State University, Kent, Ohio, and his M. A. from Ohio State University, Columbus, where he has been assistant teacher.

Art Teacher Is From Rocky Ford

Ellery L. Gibson of Rocky Ford, Colorado, is the supervisory teacher of art at Horace Mann school. Mr. Gibson has a bachelor of fine arts from the University of Colorado, his M. A. from the Colorado State College, Greeley, and has had five years teaching experience at La Junta and three years at Evanston, Illinois.

Miss Virginia Stauffer, Cedar Rapids, Iowa, is the vocational home economics supervisor at Horace Mann school replacing Miss Mabel Cook who will teach college courses. Miss Stauffer has a B. A. from Coe College and M. S. from Iowa State College, Ames, Iowa. She has been home economics instructor at Roosevelt High School, Cedar Rapids, Iowa.

Mr. Johnson Will Be in Library

James Johnson, Winfield, Kansas, is assisting at the College Library. He has his A. B. from Eastern New Mexico College, Portales, N. M., and his B. S. in library science from the University of Denver. He has recently been assistant librarian at Southwestern College at Winfield.

Miss Beulah Neprud of Verdell, Nebraska, is assisting at the Horace Mann library. Miss Neprud has a B. S. and M. A. from University of Nebraska, Lincoln, and is a candidate for an M. A. at University of Denver College of Librarianship. She has been a high school English teacher and an English critic teacher.

M. D. Long, Ottawa, Kansas, is the science instructor at Horace Mann. He has a B. S. in Education and M. A. from State Teachers College, Emporia, and has done graduate work at Kansas State College, Manhattan, Kansas. He has taught science at Whitewater, Ottawa, Garnett, and Emporia, Kansas.

Miss Williams is at Horace Mann. Miss Harriett Williams is doing supervisory work in the grades at Horace Mann. She has her B. S. from Southwest Missouri College, Springfield, and her master of education degree from the University of Missouri. She has taught at Springfield and Columbia, Missouri, and was graduate assistant at the University laboratory school at the University of Missouri.

Miss Helen F. Markland is teaching mathematics at the College. She has her A. B. from Knox College, Galesburg, Illinois, and her M. A. from Northwestern University. (Continued on Page Two)

Bell Rings Greetings for New College Year

Vigorous ringing of the bell on the morning of Registration Day, by Doris Gillisple, acting president of the senior class, was the first announcement that school had begun. Dr. J. W. Jones, president of the College, is left of the bell, and Irma Jensen, acting treasurer of the senior class, is on the right.

'48 Class Gift Will Announce Special Occasions

College Campus Sees Many Improvements

Stage Is Set for Laying New Basketball Floor, Main Gymnasium.

The annual job of painting, repairing, and remodeling on the campus again continued throughout the summer months. The job of remodeling is nearing completion, but according to President Jones, there are several unfinished projects.

Painting that has been done includes the rooms in the Quadrangle, the exterior of the windows at the Quadrangle, the walls of Residence Hall, the Dean's house, and the Home Management house.

Offices Are Changed Many changes have taken place in the Administration Building. The business office was moved to Room 228 which has been remodeled. This room was previously occupied by Miss Franken whose office is now located in Room 119. The Registrar's office was moved to the old location of the business office. And the former location of the Registrar's office is being used as a waiting room to Dean Cunningham's office.

Outside construction completed includes the building of several new sidewalks east of Horace Mann and the widening of the walk at the east door of the Administration Building. A new garbage disposal unit was erected outside of Residence Hall.

Heating Plant Is Remodeled The central heating plant has also been remodeled. A new oil burner has been installed in the power house, and there has been a change made in the heating system at the plant.

Roofs of the main gymnasium, Horace Mann, and the Administration building were repaired, and the floors of Residence Hall and the Quadrangle were refinished.

Repairing of the roof on the main gymnasium makes it possible to lay a new basketball floor. According to President Jones, a new floor will be laid in the main gymnasium as soon as possible. Shortage of materials and labor will slow completion, but the floor should be finished in time for the basketball season.

Another improvement on the campus that will be noticed in the near future will be a new wire fence around the athletic field. At present, men of the physical education department are using the new lights installed on the football field.

Alumnus Luther Dougan Visits College Campus

J. Luther Dougan, Hamburg, Iowa, visited friends on the College campus during the last week of the summer term.

Mr. Dougan graduated from the College in 1944 with a major in social science and a minor in English; he received his master of arts degree from the University of Chicago in 1947.

Last year he taught English in a high school near his home.

Mr. Colbert is on Campus Mr. George H. Colbert, who has been a member of the College faculty ever since the beginning of the College, was on the campus last Tuesday afternoon, greeting friends and checking his mail. Mr. Colbert reports that his son, Dr. Edwin H. Colbert, will return from London soon where he has been lecturing on paleontology.

Sheepskins Are Here!

The College has obtained a supply of real sheepskin diplomas and will replace the paper diplomas issued to graduates the spring term 1947, summer term 1947, and the spring term 1948.

Graduates who received the Bachelor of Arts, Bachelor of Science, or the Bachelor of Science in Education at the close of any of the above mentioned terms should send their present address, degree received, and term granted to Mr. W. A. Rickenbrodt, secretary to the Board of Regents, Maryville, Missouri. The diploma will be sent promptly.

Class Nominations Hold Interest of Students

Class meetings of the sophomores, juniors, and seniors were held Wednesday morning at the College to nominate class officers for 1948-49. The following sophomores were nominated: president, Joyce Wehrli, Bob Tebow, Glen Meredith; vice president, Katie Espey, Hubert Nall, Bob Osborn; secretary, Lois Walker, Al Henning; treasurer, Don Hoffman, Ed Nickolsen, Julia Polton, Bill Sipes. Kenneth Jones is acting president.

Juniors nominated were: president, Paul Moyer, Sam Carpenter, Manley Vance; vice president, Kenneth Parsons, Irving Silver; Bill Ward; secretary, Mary Lou Rockwell, Doris Jean Hamilton, George Silver; treasurer, Melville Strong, Gerald Cox. Acting president is Bill King.

Those on the senior ballot are: president, Bob Anderson, John Tilton, and Rex Moyer; vice president, Dale Standage, Gordon Bixler; secretary, Beverly Osburn, Ross Johnson; treasurer, Norma Yeater, Lloyd White. Acting president is Doris Gillisple.

For the first time this college year the tones of the bell were heard all over the campus as it "called school" on the morning of Registration.

Rung by Doris Gillisple, president of the senior class, the bell announced the beginning of another college year—a year of much work to be accomplished and many good times to be enjoyed by all students.

Located to the left of the long walk in front of the Administration building the bell, and the structure housing it were, given to the College by the senior class of last year. Bruce Mitchell, who designed the structure, formally presented the bell to the College. It was accepted by President J. W. Jones. The bell was first rung to usher in the examination period of the summer quarter and to celebrate the achievements of the members of the senior class who received degrees at the end of the summer.

To become one of the traditions of the College, the bell will be rung only by a member of the senior class or his deputy. Other than on Registration Day, it will be rung on the following occasions:

To announce victories.
To announce unusual assemblies such as:

1. High school Senior Day
2. Teachers' Association first assembly.

To announce Walk-out Day.
To announce senior activities.
To announce alumni reunions.
To be tolled upon the death of any member of the college community.

To announce other events deemed important by the senior class and/or the administration.

Alpha Phis Elect Officers Officers of the Alpha Phi Omega fraternity for this year have been elected with John Tilton succeeding Jack Garrett as president. Other officers are Loren Workman, vice president; Loyd White, treasurer; Manley Vance, recording secretary; Frank Stonor, historian; Charles Green, sergeant at arms; Gerald Cox, reporter; Basil Hoehn, pledge master; and Harold Tarpley, corresponding secretary.

It's Picture Time

The class pictures for the Tower year book will be taken in September. Watch the Tower bulletin board for the dates for each class.

Helen Fisher, Tower Editor.

Student Senators Name New Officers

Jean Bush, Ken McMillen, Barbara Munson Hold Offices This Year.

New officers elected by the Student Senate during their meeting Tuesday evening, September 14, were Barbara Munson as secretary, Jean Bush as treasurer, and Ken McMillen as parliamentarian.

Zea Grissinger was nominated as temporary social chairman. Other members to serve on the social committee will be chosen at a later date.

Six Students Take Oaths

New members sworn into the Student Senate were Harold Hall and Jean Bush, seniors; Helen Fisher and Herman Hausher, juniors; and Glen Meredith and Ken McMillen, sophomores.

Concessions for the football games were granted to the Alpha Phi Omega fraternity for the first home game; Phi Sigma Epsilon fraternity for the second game, and the Student Senate for Homecoming game. The Alpha Sigma Alpha sorority will have a concession at the first basketball game.

The Sigma Tau Gamma fraternity was granted permission to use the Bearcat Den for meetings on Wednesday nights, and the Barkatz will have the use of the Den from 4:00 to 5:00 every Wednesday afternoon. Pan-Hellenic Council will have the use of the Den for a tea party September 26 from 3:00 to 5:00 in the afternoon. Delta Sigma Epsilon was granted the use of the phonograph player from 7:00 to 9:00 Wednesday evening, September 15.

In discussion of the proper procedure to elect officers, it was decided that nominations be made at the class meetings Wednesday, September 15, and on Monday, September 20, the officers be elected by secret ballot.

Senate Announces Committees

The following committees were announced: judiciary committee, Hank Long, Fred Davis, Herman Hausher, Marjorie Freeman, Miss Martha Locke, and Lon Wilson; student-faculty affairs committee, Don Lyle, George Gooden, Irma Lee Hull, and Mary Loyce Rockwell; student-faculty assembly committee, Rex Moyer, Bill Elam, Carolyn Steel, and Marilyn Judd; and student-faculty committee, Glen Meredith, Earl Shelton, and Helen Richardson.

Floyd Moore Assists Bureau of Reclamation

Floyd Moore, a graduate of the College, is now with the Bureau of Reclamation at Riverton, Wyoming. This Bureau is constructing an irrigation system to serve five hundred young farmers, veterans of World War II, in homesteading. Riverton is near the best hunting and fishing grounds in Wyoming.

Mr. Moore received his bachelor of science degree in education here with a major in commerce and a minor in history, 1929.

Mrs. Moore, the former Reba Clisler, also received her degree from the College, with a major in music and a minor in art. She is teaching the fourth grade at Riverton.

Teachers Will Meet Here October 7 and 8

Many Prominent Speakers Will Lecture During Annual Convention.

October 7 to 8 will mark the thirty-first annual meeting of the Northwest Missouri Teachers Association on this campus.

Officers for this year will be as follows: Mrs. Strauss Gail Myers, Plattsburg, president; H. G. Puckett, Savannah, first vice president; C. A. Bristol, Maryville, second vice president; Everett Brown, Maryville, secretary; Olive DeLuce, Maryville, treasurer.

The Executive Committee will be comprised of R. E. Houston, Chillicothe; E. B. Lott, Fillmore; and Wilber Williams, Skidmore. This occasion will call to this campus numerous people who are interested and interested in the endeavor of education. The meeting will begin with the First General Session, Thursday, October 7, at 9:00 a. m. with Mrs. Myers presiding. Mr. John L. Smay, director of instrumental music, will conduct in the playing of the National Anthem.

Dr. Jones Will Speak

Invocation will be given by Rev. and Leslie Myers of Cameron, Missouri. Dr. J. W. Jones, president of the College will deliver an address of welcome which will be responded to by President Myers. Mr. Everett Keith, executive secretary of the Missouri State Teachers Association, will present to the meeting, "Education in Missouri." "Our Children at This Crucial Hour" will be given by Judge Carmille Kelley, Juvenile Court judge of Memphis, Tennessee.

The Second General Session will begin Thursday, October 7, at 8:00 p. m. with Dr. Jones presiding. Association President Will Talk

Dr. Irwin F. Coyle, president of the Missouri State Teachers Association, will have for his subject, "Moving Toward the Front." Dean L. D. Haskew, from the College of Education at the University of Texas, will speak on "The Profession's Golden Opportunity."

Friday, October 8, a Third General Session will be held at 9:00 a. m. with Mr. C. A. Bristol presiding. At this session the Annual Business Meeting will be held, which will then be adjourned to the respective departmental meetings—the High School Department assembling in the College Auditorium and the Elementary and Rural School Departments in the Horace Mann Auditorium.

The Fourth, General Session will begin Friday October 8, at 1:30 p. m. with Mr. H. G. Puckett presiding.

State Commissioner Will Be Here

President Myers will introduce the new officers and then the Neurology and Resolutions Committee reports will be given. At this session, the State Commissioner of Education, Mr. Hubert Wheeler, will talk on "Educational Interests Working in Behalf of Children."

Another interesting speech to be delivered at this time will be given by Dr. Benjamin Fine, Education Editor of the New York Times. His subject will be "The Crisis in American Education."

Two evening events will include the Knights of the Hickory Stick dinner which will be held at 6:00 p. m. Thursday, October 7, and the football game Friday evening, October 8, at which time the Maryville Bearcats will play Springfield.

Jean Montgomery Is In Seoul

Miss Jean Montgomery, an alumna of the College, is teaching science and geography in Seoul, Korea.

Administration Plans to Make Revision of Teacher Education

DR. BENJAMIN FINE

Dr. Benjamin Fine, noted educational editor for the New York Times, will deliver an address before the thirty-first annual meeting of the Northwest Missouri Teachers Association in the College auditorium at three o'clock, October 8, on the subject, "The Crisis in American Education." The Pulitzer Prize was awarded to Dr. Fine for the most disinterested and meritorious public service rendered by an American Newspaper during the year.

College President Welcomes Students

Theme of First Lecture Points to Better Living Standards in 1948.

It is the opinion of Dr. J. W. Jones, president of the College, that a college reflects a person in the same manner that a person reflects a college. Dr. Jones, speaking before the student body, September 15, expressed pleasure in welcoming the 1948 students to the College.

Outlining the phases of college life, Dr. Jones pointed toward three qualifications designed for better living. Quality of scholarship, gracious living in all places, and unapproachable standards are, he believes, indispensable to the college man or woman. Cooperating with the religious nature of the first assembly of the year, Dr. Jones explained, "I respect Faith, but it is DOUBT that gets one an education."

Qualifications Are Given

The speaker listed the qualifications of a good teacher: first, one who is convinced that his subject is vitally important; second, one who has intellectual integrity; and third, one who is constantly concerned with the mechanics of thinking. He did not overlook the human traits of warmth, patience, and goodness. "Gracious living," insisted President Jones, "invites charm, kindness, and courtesy. These are the qualities that formulate educated people into good investments of the state."

He quoted President Seymour of Yale in saying that it is up to the school to teach students the difference between right and wrong.

"We are concerned with your ethical standards," he concluded. "We want you to live graciously and be concerned with the quality of all you do."

Rev. A. Raeside Leads in Prayer

Preceding Dr. Jones' welcome, the Rev. Arthur Raeside, Presbyterian minister, led the students in prayer, after which Rex Moyer, student, directed group singing. Miss Judith Thom was the accompanist.

Rev. F. Kohl Introduces Guests

The Rev. Franklin Kohl, introduced the guests of the day. The Rev. Fr. Isidore Diebold, the Rev. Fr. R. D. Graham, and the Rev. Otis Sayes were representatives of the St. Mary's, St. Patrick's, and Nazareth churches, respectively.

The Rev. Kohl also extended an invitation to students to attend the church of their choice. The Christian church minister recommended regular attendance and quoted Benjamin Franklin in writing that all things must be accomplished with God's aid.

Fern Alley Receives Degree

Miss Fern Alley received a master of arts degree from the University of Minnesota in July. Miss Alley received her bachelor of science degree from the College in 1931.

Notice

Students and faculty must present activity tickets at football games or pay the regular price of admission.

Dr. Cunningham Attends Educational Workshop, Minnesota University.

Success Rests on Faculty

North Central Committee Will Consider Improvements Which Need Attention.

Dr. M. C. Cunningham, dean of the faculty, after spending Aug. 2 to 27 on the University of Minnesota campus, has returned to the college with new hopes and plans for improving the Teacher Education Program of this college. Dr. Cunningham attended the center there for the purpose of acquiring the latest material on the subject and he also served as liaison officer for this school.

The Center for Continuation Study, located on the University of Minnesota campus, serves as a workshop for the North Central Association of Colleges and Secondary Schools. This Association, of which the college is a member, is comprised of the colleges, universities, and secondary schools of twenty midwestern states.

President Sends Memorandum

Before leaving for the Workshop, Dr. Cunningham was given a memorandum by President Jones stating that he be concerned with the following problems:

(1) A reorganization of the student teaching program; (2) The relation of general education to curricula for teaching; (3) The contribution of student personnel work to the education of college students; (4) Ways and means of increasing the use of the library; (5) Improvement of the total health program of the college from the standpoint of instruction; (6) Development of a guidance service unit; (7) The induction of new teachers and the improvement of instruction.

Various Areas to Be Treated

The following areas, subject to change by the administration and faculty, will be treated during this college year:

A North Central Committee will be appointed by the faculty council and this committee will consist of interested faculty members.

At the first meeting it would be desirable for the committee to canvas the faculty as to the things which they are most anxious to have treated by this committee.

The Student Personnel Program may receive the attention of the committee. The activities of the Dean of Men and Dean of Women may need to be placed under one program. Freshmen Orientation needs to be placed within the Student Personnel Program.

The Committee may over-haul the student teaching program. Hope has been expressed that the college may institute the one-half day student teaching program.

The general education program needs revision in order to offer some courses in the junior and senior years instead of all being concentrated in the first two years.

It is desirable to improve the instruction in the college. The using of the student evaluation technique by the faculty is to be dealt with during this college year.

Dr. Cunningham, in his report, tersely stated that the success or failure of the North Central Committee work on this campus during the coming year and the ensuing years will be dependent directly on the interests and work done by the members of the faculty.

Pi Omega Pi Members Plan for Homecoming

The first regular meeting of Pi Omega Pi for the school year 1948-1949 was held Tuesday evening, September 14, in Room 125 in the Administration Building. Four activities and four pledges were present. Also present were Miss Helen Johnson, sponsor, and Mrs. Margaret Neece of the Commerce department.

Homecoming plans were discussed, and Doris Gillisple was appointed chairman of Homecoming activities. Room 125 was chosen as the regular meeting room of the group which meets every two weeks.

Pi Omega Pi is an honorary commercial fraternity for Commerce majors or minors working toward a B. S. in Education. Qualifications for membership are a total of 15 hours in commercial and educational subjects with an S average in such courses and an M average in all other college subjects.

Mrs. Virden Teaches at Stephens Mrs. Vivian Virden is now an instructor in the clothing department of Stephens College. She graduated from the College in 1945 and later taught vocational home economics in the Herculaneum and Albany high schools.

Faculty Work, Rest, and Travel in August

Members of the faculty report interesting vacations. Their experiences were quite varied from traveling on the highest highway in the world to swimming in the Atlantic Ocean, from getting acquainted with a new grandson to enjoying that great sport—fishing, or from being granted a degree to sleeping every night out in the open. As the highlights of their vacations are recounted it is concluded that most of them had a marvelous vacation.

Dr. and Mrs. J. W. Jones were in Estes Park in Colorado where Dr. Jones acted as chairman of a discussion group concerned with "Administration and Organization Problems of Teacher Education Institutions" in a school for executives.

President Emeritus Uel W. Lamkin and Mrs. Lamkin were also in Colorado attending the meeting for educators. In the same group were Mr. and Mrs. Everett Brown and children. Mr. Brown participated in the discussion of student recruitment and placement.

Dr. June Cozine and Miss Mabel Cook attended the Kappa Omicron Phi meeting at Indiana, Pennsylvania, where Dr. Cozine served as national president of the fraternity. Dr. Cozine and Miss Cook returned via Akron, Ohio, to attend the American Soap Box Derby, in which Miss Cook's nephew, Larry Wray, participated.

Mr. Kenneth T. Thompson spent three weeks' vacation in Colorado. Places visited were Loveland, Denver, Estes Park, Grand Lake, and Rocky Mountain National Park.

Dr. Blanche H. Dow spent the vacation at Marble Head Neck, Massachusetts, on Marblehead Harbor, known as the "Yacht Capital of the World." She had an unobstructed view of the races and of the harbor illuminations, and the fine swimming at the foot of her lawn. Members of her family whom she visited were her mother, Mrs. E. W. Dow of Liberty, her sister, Mrs. O. W. Suhre, and children, of Colorado Springs, her sister, Mrs. L. G. Harvey, Dr. Harvey and son of Newton Highlands, Mass. Miss DeLuce was a guest for two days.

Miss Olive S. DeLuce spent most of her time in Boston, New York and Baltimore. Much time was devoted to looking up information concerning the biographies of Thomas Thompson and Percival DeLuce, her father and grandfather who were both artists, to incorporate in a book about them. One of the highlights of her vacation was visiting in the home of Mr. Hobart Nichols, president of the National Academy of Design, and learning from him that he would write a preface to the biography. Miss DeLuce found it interesting to compare an early New York directory with the mammoth size one of today. Interesting experiences were riding in a P-29 Landing Craft and spending a night on the Atlantic Coast off Long Island with the surf crashing in, driven by tide and wind.

Mrs. Hubert Garrett became acquainted with her grandson, Dana Garrett Nadeau at Long Beach, California, during the vacation. One of the incredible events of her trip was the fact that she could leave here in the morning after breakfast and be in Long Beach that evening for dinner.

Miss Chloë E. Millikan attended the big league game between the St.

Louis Cardinals and New York Giants. While in St. Louis she also saw "Up in Central Park" at the Municipal Opera. Miss Millikan was in Chicago two days seeing shows and shopping. The remainder of her vacation was spent visiting relatives in Canton, Missouri.

Miss Violette Hunter took many pictures in color during her trip through western states in August. Accompanied by her parents, Mr. and Mrs. J. F. Hunter of Grant City, she drove to the Badlands and Blackhills of South Dakota; Custer's Battlefield in Montana; Yellowstone Park and the Grand Teton National Park in Wyoming; Sun Valley, Idaho; Salt Lake City, Utah; and Central City, Colorado. Mountain trout in her home locker show that she had luck fishing in Jackson Lake at the foot of Mt. Moran in the Tetons.

Mr. John Smay and family report fishing was good near their cabin on Straight Lake in northern Minnesota. They also visited Mrs. Smay's brother in Minneapolis during the vacation.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us.

THE DOOR IS WIDE OPEN

After a trying day of registration it was quite a thrill to see a good turn out for the first college function. Why not make 1948-49 another record year?

Already most of the organizations on the campus are looking for new members. These organizations help us to see the brighter side, broaden our views, better our training and send us from this college better prepared.

From now until next June we shall have many opportunities to participate in the extra-curricular activities of college life. Our participation may add the punch needed to reach success. This extra effort may give us the reputation of being on our toes—of being alert and up-to-date—of being the first with the latest—because we shall have some outstanding things to talk about.

ONE FOR THE MONEY

Now that summer vacation is over, it is once again time to begin classwork. Many memories of vacation joys will linger in our minds during this next school year. Some of the students are making plans to return home every weekend to continue summer experiences; others are making organization plans to make this a better school year. There has been considerable advance preparation for homecoming, but this isn't enough. What other than a movie, can students staying in Maryville over week ends, plan to attend?

The bigger colleges continue classwork on Saturday. This fact makes home visiting on week ends almost impossible. As a result, the students at these colleges have organized various week end activities. Does the administration of Northwest Missouri State Teachers College have to hold Saturday classes to keep the students in Maryville? Or can we, the students of this college, plan and organize activities that will keep the "suit case students" on the campus over week ends. Life on the campus could be much more enjoyable through such a program.

WHAT ARE YOU HERE FOR?

No doubt every student has motives for attending this college and if those motives were compiled they would be varied and numerous. Some of those motives the student will come to know as being temporary and idealistic, but others are deeply rooted and cannot be shaken.

The student of today will be the educated man or woman of tomorrow. What should be expected of that educated man or woman? Is society asking too much if it asks to be enlightened by that man or woman? Is it not feasible and desirable to have a well-informed populace?

The provincial student is not commensurate with present times. People are no more merely citizens of the hamlet, village, or town they inhabit but they are world citizens and should ever be conscious of that fact. It is now possible for an act of a citizen of Maryville to have repercussions in Iran, Pakistan or Moscow. Knowledge is failing its purpose if it is pent-up within a person and is not being propagated throughout the world.

When persons stop acquiring knowledge, it is then time to be alarmed!

AN OPPORTUNITY

The College has for many years sought to give opportunities in training beyond that which is merely academic. Realizing that the Christian Religion is the fruition of man's longing through the ages and that educated men and women are at their best only when they have acquired a proper religious background, the Administration has sought to foster and cultivate those agencies which will set before the students an opportunity to become acquainted with the best in the religious culture and agencies of our time. Courses in the Bible and in religious education are among the regular curriculum offerings.

They're Talking About...

coke, doughnuts and cigarettes, the main lament of College athletes as they gaze wistfully at others partaking of these forbidden fruits. The tests, more extensive than in previous years, being taken by freshmen as part of their registration procedure this fall. The Falcons, a well known group in intramural competition, not being satisfied with mention in this column every issue, appointing their own sports-publicity writer.

This year's budding crop of young frosh, their unshaven faces and bright clothes contrasting to the beards, khakis, and baby carriage of the veterans, frosh themselves in other years.

The girls, always a pleasant sight at this College, being "partier" than ever with the addition of some chic coeds from here and there. (Two nice towns, go there!) The face lifting given some of our campus structures this summer, and the shifting and redecoration of administrative offices. Pledging, and the frats and sororities eying prospective pledges these first few weeks. The Alpha Sig rush party, the only one for which we know any details of, being something new in informality. The newswyds on the campus—(Guilty!)—the new steps and sidewalk in front of our library. Mr. Price, the librarian, always conscious of student comfort, now adding more lounge chairs and divans.

WALKOUT DAY! "When, what, where?" the freshmen ask. The Quad majordomo, Bud Baker, showing the younger fry his unexcelled ability to impress the fair sex in spite of his unshaven-dishveled condition. One Tau going on a predominantly Phi Sig picnic just to see how the other half lives.

Homecoming committees meeting last week and starting progress that intends to secure the success of this event, which is November 6th. The music of the all-collegian dance band led by Brad Moore and how "homoy" it seemed to hear their brand of rhythm again.

The coolness of the nights, which makes those close "goodnights" a necessity, not a luxury. The burdened enslaved freshmen, who after 3 days of terrific labor were guests at a party in the Beagat Den. This

Freshmen Tests Will Aid Vocational Counselor

A new counseling program has been organized on the campus. It is being supervised by Mrs. Helen Gee whose office is located adjacent to the Dean's office.

Under this program, freshmen entering college this fall, were confronted with a series of tests. These tests included achievement examinations in English, social science, the natural sciences, and mathematics. Additional testing included interest, personality, and college aptitude tests.

The results of these tests will be assembled and kept on file for advisement and counseling information. When a student seeks advisement in selecting a major field or a vocation, his special abilities and desires can be readily determined from the results of these tests.

That weary look on the faces of freshmen students is the result of completing nine of these tests, which have been made a requirement of all freshmen. However, this service isn't restricted to freshmen. In due time Mrs. Gee will test and advise any upperclassman interested.

William Yates Directs Technical Department

William E. Yates, graduate of the College, recently visited the campus. Mr. Yates is with the Westvaco Chemical Corporation, South Charleston, West Virginia. He is in charge of the South Charleston Division Technical Department which is a special products division.

President of the Student Council while here in College, Mr. Yates is remembered as a popular and capable student.

With majors in chemistry and physics and a minor in mathematics Mr. Yates received B. S. and A. B. degrees from the College in 1934. He received his M. A. degree from Iowa State University, Ames, Iowa, in 1938 and completed his preliminaries for a Ph. D. at Ames in 1941. He taught at the Rolla School of Mines a few years after leaving here and before going into industry at the beginning of the war years.

Mrs. Yates, remembered here as Aletha Nelson, received a B. S. in vocational home economics from Ames in 1939.

The Stroller

Hi, Yall Well, "fall has fell" and there is ye olde Stroller back again, bright as a penny—a slightly tarnished one, that is! He had a wonderful vacation and hopes everyone else did, too—even the freshmen!

Wedding bells rang so fast and furiously all summer that it's kinda hard to keep track of the "newlyweds"—in fact, methinks there's no use to enumerate, so how 'bout just sayin' congrats to everybody and calling it a day?

Things have really been getting into full swing at the College, the past two weeks. Picnics, parties, more picnics, more parties, etc., etc. Yes, you might say, things are off to a flying start. A bunch (I know that's incorrect English, but it's a good word!) of more or less quiet and reserved students of said school of learning got together one Saturday night and really "whooped it up." Fun? Well, I guess!!! Which way did he go, George???

To those new faces around the institution, new instructors as well as freshmen and transfer students, we offer a most cordial greeting and hope that your stay may be happy and highly successful.

Yes, freshmen, it's true, some students receive degrees at this College at the end of four full college years, some, that is. Then, too, there are some less fortunate who, shall we say, are a might "igermul" or "igermunt," anyway, they don't have as much "educacatoin" or book "larnin." However, ye Stroller has almost as much fun as those people that have good sense.

At the time of this writing, the big question everyone is asking is, "When is Walk Out Day?" The answer is "Relax," you freshmen shouldn't be too eager. In the past two years only nine hospital cases have been reported as casualties of this Big Day. Yes, it's a lot of harmless fun; no fatal injuries have ever been announced.

Faculty Work, Rest, Travel in August

(Continued from Page One)

Dr. Clifford Bishop and family spent the vacation with his parents at Rocky Ford, Colorado, and at Rye, Colorado, where they had a cabin in the mountains. Old acquaintances were visited at Boulder, Colorado, and two days were spent at the University of Colorado.

Miss Helen Johnson especially enjoyed sunbathing and swimming on the coast near New York City. Seeing Broadway plays and visiting the broadcasting studios of N. B. C. were other highlights of Miss Johnson's vacation, as were her visits with relatives and friends in New York City.

Dr. and Mrs. Harry Dildine visited their daughter and family in Indianapolis, and their son and family at Newark, Delaware. While in Delaware they visited the classes and conference sessions as they were being conducted on Human Growth and Development at the University of Delaware and in the near-by counties in Pennsylvania.

Mr. and Mrs. Myron Rose and Wayne traveled to Washington, D. C., and from there drove to Denver, Colorado, stopping at Columbus, Ohio, to visit friends; at Champaign, Illinois, to visit his parents; and at Wellington, Kansas to visit the parents of Mrs. Rose. They visited Mr. and Mrs. Wayne D. McKown in Denver before returning home.

Miss Estella Bowman spent her vacation with Dr. Ruth Lowery and Dr. Anna Painter in Collins, New York. One day was spent at Niagara Falls, and one day at Chautauqua on Lake Chautauqua. They joined Dr. Carol Mason at Buffalo and came by boat from Buffalo to Chicago.

Mr. William Garrett and family spent the vacation traveling, camping, hiking, climbing, and studying in the Grant Teton National Park.

Other areas visited were the Ha-back Canyon region, Wyoming; the beautiful sandstone area in the Ashley National Forest, Flaming Canyon and Hideo Canyon near Palisade Park Camp Ground, Ashley; Dinosaur National Monument, all in Utah. The Garretts drove through Walden, Colorado, over Cameron pass and camped in the Roosevelt National Forest. Via Fort Collins they drove to Denver where a week was spent. One of the highlights of their Denver visit was driving to the summit of Mt. Evans which is the highest automobile road in the world.

Miss Mattie Dykes spent half her vacation with her parents, Mr. and Mrs. S. J. Dykes, in King City. Two weeks were spent with Mr. and Mrs. M. E. Ford at their summer home on Iron Mountain, Manitou Springs, Colorado. While there she visited Mrs. N. B. King, a former teacher of the College remembered as Miss Mary Hughes. On August 22, Miss Dykes was a guest of the Colorado Press Women as a representative of the National Federation of Press Women of which she is the treasurer. She returned from Colorado with her sister, Mrs. T. W. Alderson

and Mr. Alderson, and visited with them for one day before returning to Maryville.

Miss Judith Thom spent the month with Miss Catherine Phelps on a camping trip which started in Montana and veered southwestward into Wyoming, Idaho, Utah and Arizona. They heard "air organ" recitals at Salt Lake City, walked down the Grand Canyon, and swam in all the mountain lakes and streams they could find. They cooked over an open camp fire and slept on the ground. A marvelous time was reported.

Miss Mary Keith spent six days at Bunker Hill Ranch, Mountain View, Missouri. Miss Keith believes that the ownership of this ranch by the Missouri State Teachers Association implies definite possibilities for progress in the teaching profession in Missouri. She visited relatives and friends in Sikeston, Cape Girardeau, Perryville, Farmington, Ironton, Flat River, and Macon in Missouri, and after flying to Washington, D. C., visited others at Chestertown, Maryland.

Mr. John Pederson was granted a master of education degree from the University of Colorado, August 28. Mr. Pederson reports he drove to school over twenty miles of road that would scare the average "Flat Lander" to death. Early in the summer Mr. Pederson drove to Milwaukee, Wisconsin, to visit his home. Returning from Colorado to Missouri Mr. Pederson traveled through Utah, Wyoming, and Nebraska.

Mr. Donald Valk and family had a short vacation in northern Michigan and Canada. Most of their time was spent at Sault Ste. Marie, Michigan, and Mackinac Island.

Miss Jessie Jutten was in northern Minnesota fishing for a week. The remainder of her vacation was spent in Milwaukee, Duluth, Lake of the Woods, and Winnipeg, Canada.

Mr. Buford Garner and family were at Lake Erie and visited relatives in Cleveland, Ohio. They motored home via Lake Michigan and through Iowa.

Mr. Herbert Peterson spent the month of July and two weeks in August in graduate school at the University of Syracuse, Syracuse, New York. The last two weeks in August were spent at the National Guard Camp, Fort Leonard Wood, Missouri.

Mr. Arthur J. Cauffman was in Maryville during vacation. He especially enjoyed a party at the Lake of Three Fires with some friends. Much of his vacation was spent supervising the improvement of the basement under his house.

Others on the faculty that were in Maryville that the Northwest Missourian reporter knows about were Mr. W. A. Rickenbrode and Mr. and Mrs. H. V. Neece.

Graham Alumnus Receives M. A.

Robert James Stanton, who graduated from the College in 1941, recently received a master of arts degree in education from the University of Iowa, Iowa City. Mr. Stanton is from Graham. His thesis is a study of the per pupil hour instruction costs in selected independent, consolidated, and small urban school districts in northwest Missouri.

Miss Mattie M. Dykes Is National Press Treasurer

A guest of the Colorado Women's Press Club, during the summer holidays, was Miss Dykes, national treasurer of the National Federation of Press Women's Club. She was elected to this office at the Press Women's National Convention held in St. Paul, Minnesota, June 24-26. Her term of office lasts for two years and within this time she handles all the funds for the 1,500 to 2,000 members. The qualification for membership is active participation in journalistic work. This year's plan is entitled "World Peace Propaganda."

The president of the club is Catherine Dines Prosser, woman editor of the "Denver Post." The organization consists of affiliated women's press clubs in the various states and members at large from all over the United States. Prominent members of the club are Mrs. F. D. Roosevelt, Miss Dorothy Thompson, Miss Nora Brookman, managing editor for the Ladies Home Journal; Miss Mary Margaret McBride.

In addition to Miss Dykes' duties as a national officer, she also acts as vice president of the Missouri Women's Press Club.

W.A.A. Members Welcome Seventy Freshman Girls

Members of the Women's Athletic Association entertained approximately seventy freshman women on the evening of September 13, in Room 113.

Irma Jensen, president of the Association, introduced Miss Bonnie Magill, sponsor of the group, and other officers to the freshmen. Announcement was made of the fall program, which includes swimming from 4:45 to 5:30 every Monday afternoon, and tournaments in individual sports.

These sports include tennis, badminton, shuffleboard, table tennis, croquet and as a special attraction, horseshoe pitching.

It will be possible for girls participating in both swimming and individual sports to get credit for two quarters.

Winners of some of the games played during the evening were Frances Kirkpatrick, Phyllis, Bender, Shirlis Marple, Delores Andrews, Joyce Smith and Lucille Lawrence.

Miss Patty Straight, a 1948 graduate of the College, visited in Maryville this past weekend. Miss Straight is teaching Home Economics and English at Morehead, Iowa.

Three Delta Sigs Tour New Orleans

Sorority Members Think Southern Hospitality Is Wonderful.

Norma Scowden, Joyce Heck, Dotie Gillisple and Ruth Holbrook went south, August 18, to attend the Delta Sigma Conclave in Biloxi, Mississippi. Ruth's father, Mr. Loren Holbrook, accompanied them.

The group visited on the way such historical and interesting places as the National Military Park at Vicksburg, ante bellum homes in Natchez, and the Louisiana capitol at Baton Rouge. Staying in New Orleans a couple of days, they made a tour of the city. A highlight was the Old French quarter.

Upon arriving in Biloxi the girls went to the Delta Sigma Conclave headquarters in the Buena Vista hotel, which overlooks the Gulf of Mexico.

Features on the Conclave program were a tour of the gulf coast region, which included a visit to the home of Jefferson Davis and a sight-seeing visit of Keeler Army Air Field, a moonlight cruise on the Gulf, sunbathing and swimming at the hotel's private beach, and two formal dinners followed by dancing on the deck, which was the roof of the hotel.

After Conclave the girls returned, saying they had had much fun and thought the southern hospitality was wonderful.

Dance Club Members Entertain Freshman Girls

Sponsored by Miss Wincle Ann Carruth, the Dance Club entertained freshmen girls Tuesday evening, September 14. Activities and awards of the Dance Club were explained and discussed and the group participated in several square dances which were directed by Miss Carruth.

Three numbers, Heroique, Deep Purple, and Manhattan Serenade, taken from the Spring Recital program of last year were presented by the following Dance Club members: Pat Smith, Katie Krause, Elaine Anderson, Pat McIntyre, Juanita Ford, and LaVonne Wescott. They were accompanied by Vernelle Cox. At the close of the evening refreshments were served.

Dance Club members were happy to learn that many freshmen girls were interested in becoming members of their organization, and are anticipating a full year of fun and accomplishment.

Maryville Will Be 129th Headquarters

Faculty and Students Are Active at Summer Camp Held During August.

Permanent headquarters for the 129th Field Artillery Battalion, Missouri National Guard, 35th Division, has been established in Maryville, with the College gymnasium as the armory. Units of the 129th are located in the western part of Missouri. Battalion Headquarters, Headquarters Battery, the medical detachment and the air section are located in Maryville.

Captain Stephen O. Brown and Master Sergeant James E. Storey have been assigned as full time instructors of the 129th.

35th Rates High

Missouri and Kansas battalions comprising the 35th division were encamped at Fort Leonard Wood from August 14 to 29. This was the first such group training of men from this area since 1940. Fifth Army inspectors stated that the training of the 35th division was outstanding.

As summer camp is primarily a period for field military training, the unit had an opportunity to observe artillery fire as well as actual firing of small arms, in addition to other activities.

Accomplishments of the 129th in recreational and athletic events were evidenced by the position in which they finished in two tournaments held during the encampment. The basketball team placed second in the division tournament, being defeated by the 128th field artillery team. The softball team got to the quarter finals before being eliminated by the 140th infantry team.

Students Take Part

Students of the College on these two teams were Kenneth Jones, Eugene Ceglinski, Philip Denver, Marion Freeman, William Sherman, Norman James, Glenn Sherry and Donald Pipes. H. D. Peterson, member of the physical education department, was coach and athletic director for the 129th field artillery units.

Another faculty member in the National Guard here is Capt. Paxton F. Price. College students and alumni are as follows: officers—Capt. Robert R. Kurtwright, WOJG Donald B. Miller, T Sgt. Lloyd L. White, Edwin D. Emerson, Elmer S. Myers, John S. Taylor.

Tech. Gr. 3, C. H. Pederson, Tech. Grade 4, William F. Lechler and Don E. Piles.

Corporals: Donald E. Hoffman and Philip Denver. Tech. Grade 5: Gerald D. Bennett, Herman C. Boswell, Marion B. Freeman, Norman L. James, Hubert E. Null, Louie M. Melkowski, Robert Tebow, Jefferson D. Elliott, Roy E. Lilley and Donald E. Lytle.

Private 1st Class: Eugene F. Ceglinski, Loren T. Gunderman, William I. Hann, Roland W. Hood, Robert D. Laughlin, Richard C. Maxon, Earl K. McMullen, Charles V. Plymell, Glenn M. Sherry, Harold B. Tarpley, John W. Wallace, James Ward, and Foster G. Baker.

Privates: Gerald A. Cox, Donald

Swimming Club

All girls interested in organizing a Swimming Club are invited to meet Thursday evening, September 23rd at 7 p. m. at the College pool. Eligibility will be proficiency in side, breast, and crawl strokes, surface diving, treading and plain diving.

See Miss Jutten of the Women's Physical Education department for further details.

R. Dressler, Kenneth B. Jones, Glen U. Meredith, William Sherman, Richard B. Frans, William N. Burnham, Joe O. Gardner, Homer D. Hague, Daryl H. Johnson, Kenneth I. Kiburz, Edward D. Lemmon, Gaylord D. Meyers, Charles F. Oellermann, Wilbur L. Pollard, James P. Ranck and Ronald L. VanRyswyk.

Grid Season Opens With Springfield

Returning 'M' Men Will Be Hope of First Seasonal Football Victory.

On October 8, 1948, the Northwest Missouri State Teachers College Bearcat team will inaugurate their home football season by taking on the Bear team from Springfield, Missouri. The game will take place under the arcs and should prove to be a thrilling contest from start to finish.

The Bears boast a powerful club studied with seasoned veterans of previous grid warfare. To mention a very few of the outstanding players who have made prodigious progress thus far are: Ken Jones, Floyd Klang, Bill Gamble, Don Hartness, Pat Zuchowski, Al Wormsley, Norman James and Marvin Weed. These spirited ball players will be backed by a lively array of new talent, ever willing and eager to do their best. The Bears are expected to be strong and should give the Bearcats all they can possibly handle and maybe more. Springfield is considerably larger than Maryville, and in all probability will have a greater number of candidates interested in football.

Last year a grueling battle took place at Springfield between the Bears and the Bearcats. The Bearcats drove to an early touchdown and only a desperate pass in the remaining seconds of the first half enabled the Bears to tie Maryville 7-7.

This should be one of the best games of the season; and we are all plugging for our team to come out on top.

Lowell Galt Assists Director

Lowell Galt, a former student of the College, has been appointed Special Assistant to the Director of the Census and is now stationed in Washington.

Phi Sigs Will Have Music

Bill Gamble and Floyd Klang, outstanding players on the 1948 football squad, are leading the Bearcats this season. Without them the Bearcats are in a spot. Bill is one of the best centers and linebackers in the conference. Floyd is by far our best lineman. Both men are all conference material.

Dramatics Club Elects Bill Elam, President

Officers elected in the Dramatics Club for the coming year are Bill Elam, president; John Tilton, vice president; and Betty Williams, secretary-treasurer. They were elected during the first meeting of the year which was held Wednesday, September 15. The retiring president, Zea Grissinger, opened the meeting.

Mr. Robert Gee, dramatics instructor, stated that the tentative plan of the Dramatics Club is to produce three major plays during the year. They will be Thornton

Wilder's "Our Town"; Shakespeare's "Taming of The Shrew"; and a modern comedy at the close of the season. The Dramatics Club also plans to present several entertaining features for various campus social activities throughout the year.

"No Exit", an experimental play, is now under preparation. It will star Virginia Scott, Lou Hazelton, and John Tilton.

Miss Doris Polk, an alumna of the College, visited in Maryville this past week end. Miss Polk is now teaching Physical Education in Waterloo, Iowa.

Random Shots . . .

No longer will the green letter jackets be seen in the smoker or in the Buchanan Street library—the "M" club has decided to have some winning teams this year.

Gus "Nature Boy" Henggeler is showing great improvement this year at the tackle position. Maybe the beard is his secret strength, who knows? Favorite locker room topic, Coach Ryland Milner's ten minute scrimmages. Most improved player at the present is Wilbur Pollard whose defensive skill has carried him a long way up the line.

Ivan Schottel has the urge again. Last week while playing with the Detroit Lions, Ivan intercepted an enemy pass and returned it for a touchdown that won the game and netted him a \$500 bonus, which Jon Wohlford thinks is a nice racket.

Al Henningsen, former basketball letterman and service star has returned to the Bearcat fold. Al promises to be a good prospect on this year's football team. Freshman and prospect Paul Fuerst just missed being an Olympic games contestant while serving with the Marines. Paul was beaten in the quarter finals of the heavyweight division in wrestling.

Three of the "fudge" boys who made up the Green and White 880 yard relay team are being groomed for the tailback position on the grid team. Don Neil is the only one missing of the four which included Pat Zuchowski, Frank Boyer and Phil Carter.

On the whole, this year's football team should perform well if it is backed by the student body. Remember, the first home game is with Springfield on October 8.

HALL WOMEN WILL HAVE TEA

On Sunday afternoon, October 3, from three to five o'clock a reception tea will be held at Residence Hall in honor of new women faculty members and wives of men who are new on the faculty. Members of the receiving line will be Mrs. J. W. Jones;

Miss Martha Locke, dean of women; Mrs. Nelle Thompson; and Carolyn Steel, president of the Residence Hall Council.

The United States uses about 80 per cent of the world's production of 35 million pounds of vegetable waxes.

Spectators Swarm Field, Viewing Bearcats of 1948

On Friday, September 10, the Bearcats displayed their play formations to a rousing crowd beneath the brilliant glare of lights in the form of an inter-squad contest.

Coaches Ryland Milner and Don Peterson placed men in different positions for both offensive and defensive plays, giving each a chance to prove his ability in certain divisions of the backfield and line departments.

This scrimmage brought forth a result in affirmative measures. The College Bearcats have power and speed, the backbone of a great variety of their touchdown plays.

REGENTS HOLD MEETING

Members of the Board of Regents for the Northwest Missouri State Teachers College met at the Hotel Robidoux, St. Joseph, September 20. The following regents were present: Mr. M. E. Ford, Maryville; Mr. Allan F. Wherritt, Liberty; Mr. A. B. Kammerer, Chillicothe; Mr. James B. Curry, Oregon; Mr. R. L. Douglas and Mr. J. D. Gaddy, St. Joseph. Those attending from the College were Dr. J. W. Jones, president; Mr. H. V. Nece, business manager; and Mr. W. A. Rickenbrode, secretary to the Board of Regents.

Senate Sponsors Entertainment

For the overworked, tired, rundown freshmen, a get-acquainted dance was held in Room 114 of the Administration building, Tuesday, September 7, at 8:00 o'clock. Brad Moore and his band provided the music for the crowd of approximately 175 persons. The dance was sponsored by the Student Senate.

Miss Locke Returns to Campus

After a year's absence, Miss Martha Locke has returned to the campus and has resumed her former position as Dean of Women. Miss Locke has been on leave of absence for the purpose of securing her master's degree in the field of educational psychology, at the University of Nebraska. Her degree will be conferred in January of the coming year.

College Bearcats Edge Ottawa, 7-6

Freeman's Third Quarter Placement Kick Is Deciding Factor.

Marion Freeman's kick from placement in the third quarter proved to be the winning point in the game between the Bearcats and the Ottawa Braves last Friday night. The Bearcats came out on top with a score of 7-6.

The Braves scored first with a recovery on the 33 yard line. The Bearcats came right back to take the ball downfield but fumbles proved to be costly. At the start of the second half, James intercepted a long Brave pass. Two running plays put the ball on the 33 yard line where Butherus threw James a 25 yard pass which James caught to make the touchdown. Freeman then took the spotlight to make the final point. With a few minutes remaining in the last quarter, Ottawa drove from midfield to the Bearcat's four yard line for a first down. They then drove to the 2 yard line but received a penalty of 5 yards for backfield in motion. From this point they attempted a field goal which failed to score.

Floyd Klang, Marvin Weed, Bill Gamble and Al Henningsen played a good defense line.
